

## **Data Protection**

Write a short paragraph summarising each of the 2 key points of data privacy: data collection limitation, and data subject rights.

## **Emma's Story**

Write a story of Emma, the company privacy officer, as she navigates the 2 principals of data privacy: data collection limitation, and data subject rights.

## **Quiz**

Generate 2 multiple-choice questions with answer to test understanding of data collection limitation in relation to data privacy.

Generate 2 true/false questions with answer to test understanding of data subject rights in relation to data privacy.

## **Dialogue Cards**

In the context of data privacy, with an emphasis on subject rights, generate the front (hint) and back (detail) of 3 dialogue cards.

## **Midjourney**

A photorealistic image of a cloud-based data centre. Include glowing digital information like code and network connections. Woven throughout are strong security features like firewalls and encryption. The overall feel is one of a secure and dynamic digital environment. Blue theme.
